Have you **checked** your concern with your Safeguarding Lead?

From your checks has any other information come to light?

Has the individual of concern been spoken to for clarity?
If not, what are the reasons for this (inappropriate, safeguarding risk?)

Do they offer a reasonable explanation and/or account?

If under 18, have their parents been spoken to for clarity? Have they noticed a change in behaviour?

Are any other agencies currently or historically working with the individual or family? Have they been consulted? Is the concern Prevent related? Or is it more suitable under general safeguarding?

Have there been any historical concerns? I.e., concerns at previous school?

Could the concern be addressed in house? Is there a genuine radicalisation risk?

Do you and or the individual need additional support?
